DROPS CIRCULAR NEEDLE (80 cm) SIZE 5.5 mm - or size needed to get 16 sts x 20 rows in stocking st = 10 x 10 cm.

DROPS CIRCULAR NEEDLE (80 cm) SIZE 4.5 mm – for garter st.

GARTER ST (back and forth):

K all rows. 1 ridge = 2 rows K.

PATTERN:

See diagram A.1. The diagram show all rows in pattern seen from RS.

KNITTING TIP:

Band sts will wrinkle inwards when working but lay flat after assembly.

INCREASE TIP:

Inc 1 st by making 1 YO, on next row work YO twisted (i.e. work in the back loop of st instead front) to avoid holes.

BODY:

Worked back and forth on circular needle from mid front.

Loosely cast on 185-201-211-235-251-265 sts on circular needle size 4.5 mm with Bomull-Lin or Paris. Work 2 ridges in GARTER ST - see explanation above.

Switch to circular needle size 5.5 mm, work next row (= RS) as follows: 2 sts in stocking st, P 1, and stocking st over the next 26-28-27-27-26-24 sts (= band), work A.1A (= 4 sts), A.1B (= 6 sts) 20-22-24-28-31-34 times in total, A.1C (= 3 sts), work in stocking st over the next 26-28-27-27-26-24 sts, P 1 and 2 sts in stocking st (= band). Continue like this - READ KNITTING TIP AND REMEMBER THE KNITTING TENSION. When piece measures approx. 46-47-48-49-50-51 cm, insert 2 markers; 54-58-60-67-71-75 sts in from each side (= 77-85-91-101-109-115 sts between markers on back piece). On next row cast off 3-4-5-6-7-8 sts for armholes on each side of both markers (= 6-8-10-12-14-16 cast off sts in each side). Now divide the piece and finish each part separately.

BACK PIECE:

= 71-77-81-89-95-99 sts. Continue pattern as before with 1 edge st in garter st in each side until piece measures 60-62-64-66-68-70 cm. Then cast off the middle 21-23-23-25-25-27 sts for neck and finish each shoulder separately. Continue to dec 1 st on next row from neck = 24-26-28-31-34-35 sts remain on the shoulder. Cast off when piece measures 62-64-66-68-70-72 cm.

LEFT FRONT PIECE:

= 51-54-55-61-64-67 sts. Work 1 edge st in garter st towards the armhole and continue with pattern as before, and finish with 26-27-27-27-27-24 sts in stocking st, P 1 and 2 sts in stocking st (= band sts) towards mid front until piece measures 62-64-66-68-70-72 cm. At beg of next row from RS cast off the first 24-26-28-31-34-36 sts for shoulder = 27-28-27-30-30-31 sts remain for collar. Work in garter st over these sts - AT THE SAME TIME work short rows, beg from WS as follows: * Work 1 ridge over all sts. On next row from WS K 21-22-21-24-24-25, turn and K back *, repeat from *-* until piece measures approx. 9-10-10-10½-10½-11 cm from cast off for shoulder (short side). Loosely cast off all sts.

RIGHT FRONT PIECE:

Work as left front piece but reversed. Beg short rows on collar from RS.

SLEEVE:

Worked back and forth on needle.

Loosely cast on 35-37-39-39-41-43 sts (incl 1 edge st each side) on circular needle size 4.5 mm with Bomull-Lin or Paris. Work 2 ridges. Switch to circular needle size 5.5 mm, work next row (= RS) as follows: 1 edge st in garter st, 1-2-0-0-1-2 sts in stocking st, work A.1A (= 4 sts), A.1B over the next 24-24-30-30-30-30 sts (= 4-4-5-5-5-5 times), A.1C (= 3 sts), 1-2-0-0-1-2 sts in stocking st, finish with 1 edge st in garter st. When piece measures 8 cm, inc 1 st inside 1 edge st in each side - READ INCREASE TIP above, work the inc sts in pattern. Repeat inc every 4½-4-3½-3-2½-2½ cm 8-9-10-11-12-13 more times = 53-57-61-63-67-71 sts. When piece measures 45-44-43-40-39-37 cm, insert 1 marker in each side of sleeve (for assembly). When piece measures 47-46-46-44-43-42 cm (shorter measurements in the larger sizes because of wider shoulders), cast off all sts.

ASSEMBLY:

Sew shoulder seams and sew in sleeves in outer loops of edge sts. Sew the sleeve seams in one inside 1 edge st - NOTE: Section worked after marker at the top of sleeve should fit the cast off for armhole. Sew band tog mid back and sew band to the neck egde - NOTE! Seam should be at the back so that is is not visible when collar is folded down. Lightly steam the band with iron, it will then be flat.
